AI Workflow Audit and Tool Setup (FL-01)

Name: Achyuta Biswal

Track: General AI Fluency

Assignment Code: FL-01

1. Weekly Workflow Audit

No.	Recurring Task	Classification	Rationale
1	Solve DSA problems on GeeksforGeeks	Collaborate with AI	AI explains algorithms; I write and debug the solution.
2	Learn Java Full Stack	Collaborate with AI	AI explains concepts while I practice coding.
3	Build backend projects	Collaborate with AI	AI suggests improvements; I implement them.
4	Debug Java code	Collaborate with AI	AI helps identify errors; I apply the fixes.
5	Prepare interview notes	Delegate to AI with Review	AI drafts notes; I verify accuracy.
6	Practice SQL	Delegate to AI with Review	AI generates questions; I solve and review.
7	Write LinkedIn posts	Delegate to AI with Review	AI improves writing; I ensure authenticity.
8	Complete FlyRank assignments	Collaborate with AI	AI helps structure work; I complete it.
9	Plan daily study schedule	Fully Automate	AI can generate an optimized timetable.
10	Organize study notes	Fully Automate	AI summarizes and categorizes notes.
11	Practice English	Collaborate with AI	AI provides conversation practice and feedback.
12	Attend online classes	Just Me	Requires my active participation.
13	Take coding assessments	Just Me	Must reflect my own knowledge.
14	Research AI tools	Delegate to AI with Review	AI summarizes tools; I evaluate them.
15	Review weekly progress	Collaborate with AI	AI helps analyze progress; I decide next actions.

2. Three Target Tasks

DSA Problem Solving

Done well means: Understand the algorithm, pass all test cases, explain time and space complexity.

Java Full Stack Learning

Done well means: Complete one topic daily, build a working example, and maintain notes.

FlyRank Internship Assignments

Done well means: Submit before the deadline, ensure originality, and review before submission.

3. Tool Setup

- ChatGPT account created and used.
- Claude Project created with custom instructions.
- Anthropic Academy enrolled in AI Fluency: Framework & Foundations and initial lessons completed.
