Recent Feedback

- #1 [5/5] The support team resolved my billing issue very quickly. Great experience!
- #2 [1/5] The app keeps crashing every time I try to upload a document. Very frustrating.
- #3 [3/5] Decent product overall, but the onboarding could be a bit clearer for new users.
- #4 [5/5] Loving the new dashboard redesign, it is much faster and cleaner than before.
- #5 [2/5] Pricing feels a little high compared to competitors for the same feature set.
